To

The Principal,  
Presidency College,  
C A L C U T T A.

Sir,

In connection with my application for admission in your college I beg most respectfully to say that one of my cousins Sri Hrishikesh Banerjee passed the B.A. Examination in the year 1942 with 2nd Class Honours in Economics. Sri Haradhan Banerjee son of another cousin of mine is still in the College. He is a student of the 2nd year I.Sc Class and resides in the Eden Hindu Hostel.

I shall deem it a great favour if I be admitted as I have a fascination for it from a very long time even when I was a student in the School.

Yours obediently,

Dated Calcutta  
The ~~30th~~ June 1950.

Kartik Prasad Mukhopadhyay.

To the Principal, Presidency College.

Sir,

With due respect and humble submission I beg to state that I am a refugee student coming from Barisal. I came in West Bengal in 1948 and got admitted into The Krishnagar Govt. College, where I enjoyed a ~~full~~ free-studentship. This year ~~1949~~ in (1950), I passed the S.L.C. Exam from Krishnagar College in the 1st division, and want to get admitted in your College.

My father is dead, and my mother who stayed in Barisal, came here after the recent riot. Now I am going to read in your College with the hope that I may get a loan ~~from~~ for education from the Government. ~~and~~ ~~and~~ ~~may~~ ~~be~~ ~~able~~ ~~to~~ ~~get~~ ~~it~~. So, if you kindly allow me to enjoy a free-studentship in your or a stipend (out of the 40 stipends offered in the 3rd year Science class) as a poor student, I may continue my studies hopefully.

I remain,

Sir  
your most obedient student,  
Suliprasad Bhattacharyya

To Whom It concerns.

This is to certify that Mr. Prosanto Kumar Biswas was a pupil of this school. He joined his Institution on the 9th February 1942 and was admitted into Class I. After a regular course of studies, during which time he received regular promotion, he appeared the School Certificate Examination of the Cambridge University in December 1949, and I have confidence that he will pass in Class I. His conduct has always been good. He is well behaved, neat and efficient. He took a keen interest in all sports and represented the school in all sporting activities. He was elected as Prefect for one year. He now leaves school on the completion of his studies. I wish him every success for the future.

His date of birth according to the School Register is 7th October, 1933.
