Calcutta 26th March 1883.

SIR,

Adverting to the correspondence that has passed between yourself and the Principal of the Presidency College, regarding the transfer of the Junior Scholarship of Kumudini Kanta Roy from the Dacca to the Presidency College, referred to me by that officer for orders, I have the honour to observe as follows.—

In your letter No. 83 of the 10th February last addressed to the Principal of the Presidency College, it is stated that no fee for January is charged to a student if he applies for the transfer of his scholarship before the 1st of the following month.

The Scholarship list was dated 23 January/83 and the boy applied to you for the transfer of his Scholarship on the 31st idem. It appears therefore that the application was not made long after the

the issue of that list. -

Moreover he did not at all join
the Dacca College and paid the full fee
for January 1883 into Presidency College;
where he took his admission on the 30th
of that month.

I request therefore that you will
be so good as to refund to him the sum
of Rs. 7. deducted by you on account
of the Dacca College fee for January
1883. -
