Sir

With reference to your

memo No 192 dated 5th May 1883. I beg
most respectfully to bring to your notice
that as I have been informed that in the
Admission Book of the Ootapparah Govt. School,
the first regular entry of age is found
under date the 15th June 1882 & as I presume
I was transferred from that institution to
the Hindu School on that very date, the
records of which are deposited with those
of the Presidency College, I would esteem
it a great favor if you order an alteration
to be made, as I doubt not the informa-
tion as regards my age, so urgently required
by the present Head of the office in which
I have been at present serving in the under
grade can be traced from the records of
your office.

I have the honor to be

Sirs

Your most obedient servant
