General remarks (including a statement on integrity, character and physical fitness and a note of any special qualifications not covered by the above).

Nikhil Babu is a very conscientious teacher & a very honourable man. He is always dignified & serious in temperament, and is always reliable. His retirement which is imminent will be a distinct loss to the institution & I feel that it would be to the interest of our students if his services could be retained by a further period of extension. Physically, he is more than fit for a man of his age.

Majumdar appears to be quite a genial personality. He is also a fairly able teacher of his subject. But I wish he had a little more appreciation of the dignity of his vocation & a little more seriousness in the make-up of his temperament. Physically he is quite fit.
