D.O. No. 163-Con

Dear Khan Bahadur Sahab,

I beg to refer to your D.O. No. 1126, on the subject of confidential report on Mr. Kanailal Mukherji, Head Master, Hindu School. Mr. Mukherji impressed me as a capable young man and I found nothing against him during this short period of my present office. I consulted earlier reports on his work, copies of which must be with you also. He has always been well spoken off by his superior officers. I do not understand how there can be any difference in opinion regarding his work and capacity within such a short time after his confirmation. I feel there is not much justification for the remarks that Mr. Mahalanobis made in the last annual confidential report against Mr. Mukherji which he appears to have done at the spur of the moment and this probably was not his considered opinion.

Yours sincerely,

Md. M. Asad
