The Principal, Presidency College, Calcutta.

Dear Sir,

This is to put before you the case of my son, Boudhayan Chatterjee, who has applied for admission into the 4th year Sc. class as a casual student.

What he has done last yr is unjustifiably unfortunate & no amount of reasons can convince anybody; but still, as his mother, can say, that certain incidents happened which stood such a mental collapse in him that he has not yet been able to rid of a state of general breakdown. He is, however, back to his own, and being

Memo. No. 3418

With reference to his application dated the 12th August, 1949, for admission into this college in the 4th Year B.Sc. Class as a casual student, Boudhayan Chattopadhyay is directed to explain, with convincing proof, why he did not attend any of the theoretical or practical classes in 1948-49. Also he is directed to produce a written undertaking from his guardian that he will attend classes regularly.

To

The Principal,

Presidency College, Calcutta.

Dear Sir,

Migrated from East Bengal, I took admission in one of the schools of South Calcutta named The Vivekanand Institution in the year 1947. There, I stood first in the Class Examination and got promoted into the 1st Class. The School Committee was so Kind as to grant me a free-student ship on account of my poverty and earnest zeal for learning. In the Test-Examination, too, I headed the list. However, I enjoyed a free-student ship for more than two years.

From my school-life, I had an ambition of reading in the Presidency College.
